Assumptions Used in Arriving at Fiscal Estimate <p>This rule updates existing rules related to the certification and grading of seed potatoes. The Department of Agriculture, Trade and Consumer Protection (“DATCP”) administers this program in cooperation with the University of Wisconsin, College of Agricultural and Life Sciences, Department of Plant Pathology (“the College”).</p> <p>Seed potato certification and grading is voluntary, and is done at the request of the seed potato grower. The college inspects seed potatoes for disease pathogens, and certifies seed potatoes in appropriate categories based on predicted disease-free reliability. DATCP inspects and grades college-certified seed potatoes for other measures of quality. DATCP and the College charge fees to cover their costs of certification and grading. This rule does not change certification or grading costs or fees.</p> <p>This rule will have no significant fiscal effect on DATCP or the College. This rule will not have any fiscal effect on local government.</p>			
Long - Range Fiscal Implications
